

School Journal

First – sixth class children are given a School Journal at the start of the school year. They write their homework in the journal. Parents should feel free to use the ‘comment section’ to communicate in writing with the class teacher. The Journal should be signed every night by a parent/guardian to indicate that homework has been checked.

Children from 2nd to 6th class must fill in their reading log / Manga High Log;

1. When they start a new novel
2. To record their weekly manga high awards .

Absences should be noted at the back of the journal.

Behaviour notes at the back of the journal should be initialled by a parent / guardian.
