1.10pm - Infant Home time

2.10pm - 1st-6th Class Home Time.

Punctuality

It is imperative that all children are punctual in the morning. The 20 minutes between 08.30am and 08.50am is a very important time in the school day. This is when the younger children have activity time or structured play. It is a time when teachers get to correct homework or hear children's reading.
